**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a small business owner and I oppose price hikes that will increase the cost of internet and telephone services. Such action makes the rich richer and the average citizen less able to pay for an essential service in today's business world. We use a competitive local service and appreciate their customer service.
